

GIVING FUNDS EXPLANATION

General Fund: Our General Fund covers all OMPC ministry, staff, and facilities/administration expenses. It also covers the financial partnership of our US Ministry Partners. General Fund is the account to which OMPC Members can give their general tithe.

Faith Promise / Global Missions Fund: Faith Promise is what we call our Global Missions Fund. It is called Faith Promise because it is an act in which we encourage all OMPC members to give, by faith, above and beyond the general tithe toward God's work in missions around the world. [Click Here](#) to learn more about Faith Promise. Our Faith Promise Pledge Sunday is the second of our Global Missions Sundays, which is the first Sunday of March each year.

Here and Now / Building Fund: Funds donated to this account are used exclusively to reduce the principal balance on our building loan. Back in 2013, our church was led through a payoff initiative where we encouraged our congregation to give toward our "Here and Now" (building debt) so that we would have more funds in the General Fund to give toward God's work "here and now" in our neighborhood, city and nation!

Mercy Fund: The Mercy fund is just that - a fund where you can give directly to mercy in and through OMPC. Our Mercy Fund supports OMPC members and the surrounding community in times of need. We specifically take up a mercy offering on Communion Sundays, Easter Sunday and Christmas Eve (called "No Room in the Inn" - see below!).

Additional Accounts: Throughout the year, there are additional accounts created for the purpose of supporting various missions projects/teams/trips and church-wide initiatives. These account names vary depending on the need to which people are giving!

With further questions on giving funds or giving to OMPC in general, please contact OMPC Financial Manager, Jessica Hale (jhale@ompc.org; 205.981.4345).
