

# TREEhouse

early learning center **ompc**

The Treehouse Early Learning Center at Oak Mountain Presbyterian Church (OMPC) is an outreach ministry of Oak Kids that serves the surrounding community. We desire to provide families with a safe, quality program for their children from 9:00 am to 1:00 pm. Children must be at least 12 months old as of September 1 and walking to enroll. The cut-off for each age group is also September 1. All classes are based on enrollment. Please see the attached form for more information.

## PROGRAM CURRICULUM

Our curriculum promotes children’s social, emotional, physical, intellectual, and spiritual growth through Bible stories, music, crafts, playtime, chapel, and classroom instruction. All Bible lessons are taught from a reformed perspective, reflecting our beliefs at OMPC. Instruction is given according to age and developmental levels. Each class is under the direction of two teachers, except for our TK class. For the K4 classes, we include elements of preparation for kindergarten, as well as a weekly Spanish class for children in the 3-year-old and K4 classes.

Our Transitional Kindergarten (TK) program is designed for children who have completed a K4 program. TK gives the gift of time to children who need another year to develop physically, socially, or academically before entering kindergarten. Our TK program has a comprehensive curriculum that will allow children to be more confident as they move to the next level of academic achievement.

We require that your child already be evaluated by a certified therapist and have an IEP. There will be an additional fee added to your monthly tuition for a special needs aide. Please call the office for more information.
