

DAY TWO | children

Lord we pray for our discipleship to have deep impact on the hearts of our children and families. Help us to be intentional with these precious days to cultivate environments and seize opportunities that invite you into every aspect of their lives. God continue to grow our discipleship ministry to partner with parents to guide our children into a lifetime love relationship with You that is built on love, prayers, grace, forgiveness and faith.

"By this my Father is glorified, that you bear much fruit and so prove to be my disciples." - John 15:8

Father God we pray for our Mustard Seed children, their families, staff, volunteers and buddies and ask you to guide and direct the Mustard Seed program. Teach us to rely on scripture and grow in your word as we celebrate hope for the future. Guide us as we strive to meet each families needs and anoint us to be your vessel. Please help the Mustard Seeds program bring glory to your name and people to your house (church). Amen.

"If you ask me anything in my name, I will do it" - John 14:14

Lord you know our hearts and our cries for the least of these. As we allow our homes and hearts to be open, fill us with eyes to see you, ears to hear you and the physical ability to follow through with what you have called each of us to do. Let our families be strengthened as we do your will and let us know our church body is supporting us along this journey to rescue the fatherless.

"O Lord, you hear the desire of the afflicted; you will strengthen their heart; you will incline your ear to do justice to the fatherless and the oppressed, so that man who is of the earth may strike terror no more." - Psalm 10:17-18

Father, we pray for our little ones as they learn what it means to worship you and serve you only. We pray that they would grow in their love for you as they learn your truth and grow in wisdom. And Father we pray that their hearts would be in tune with your grace as they learn how to worship now and for eternity.

"All the nations you have made shall come and worship before you, O Lord, and shall glorify your name." - Psalm 86:9

Lord, we bring before you the seed planters you have chosen to serve in Oak Kids this year. Each person that has committed to plant seeds of truth in the hearts of our children, has a divine purpose in Oak Kids that we pray would be life changing. We pray, as each seed planter serves OMPC through Oak Kids, that their minds would be impacted by your truth, their lives would be changed by your grace and their hearts would reflect how wonderful and special you are.

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace" - 1 Peter 4:10

DAY TWO | westminster

Father, we pray for all our faculty, students, and families at Westminster and ask that you would unite and strengthen them in the gospel as they begin a new school year. We pray that our students in all grades would feel that they are known and pursued by their teachers that they might grow in wisdom, virtue, and love for Christ. May the influence of our teachers serve to inspire our students and lead them to a life-long love of learning, service, and the pursuit of the gospel. And Father we pray that you would also strengthen the covenantal partnership between our faculty and our parents that we might labor together to establish and preserve the sacred boundaries in which the seeds of your gospel might grow and flourish in the lives of our children.

We pray as well for all students in our church body, whether they be in a public, private, or homeschool environment. May each of them see your truth in all their studies and recognize their calling to use the gifts you have given them to exercise loving dominion within your creation. Grant that they might also have opportunities to show the love of Christ and the power of the gospel to all with whom they come in contact.

Father, we pray specifically for Westminster's new headmaster Brad Baggett and his family as they transition into a new school, church and community. We pray for their house to sell in Houston. We also pray for guidance and wisdom as Brad leads the school through the upcoming school year.
