

DAY THREE | youth

Pray that our students would treasure union with Christ more than the approval of man and cares of this world.

Pray that the Lord would use our students to be instruments of Grace to other students in their schools who don't know Christ. Also pray that the Lord would use our students in the sanctification process of one another, that they would make transformative friendships in the Youth House that continually point them to Christ. Pray for the ministry of the Youth House, that it would be a safe place where students are both known and loved by the staff and volunteers.

Pray for all of the volunteers that work with our students, that God would give them wisdom and discernment in applying the Gospel to every facet of our student's lives. Pray that they would minister out of an overflowing heart and that Christ would enable them to love our students well.

Pray for the staff, that they would find their rest and satisfaction in Christ. Pray that you would give them a heart and vision to reach the surrounding schools for Christ. Pray for them as they continue to build continuity with new leadership from Braxton Baker.

For the Youth Ministry as a whole as it faces the transitions that come with new leadership. We pray that all that we would do would bring honor and glory to Christ and be a help to the families of our church. Pray for the un-churched students who come with their friends. May God use the Youth Ministry to draw students to a personal relationship with Christ and new families to OMPC.
